

7. Full-width tables

Tables	Are	Cool
This is a full-width table and is very very long table. col 3 is	right-aligned	\$1,600
col 2 is	centered	\$12
zebra stripes	are neat	\$1

This is a example about fullwidth tables in Tufte Handout.

Table 1: This is a table caption

You can build PDF file with:

```
pp -pdf test.md | pandoc -o test.pdf -f markdown+raw_tex --pdf-engine=xelatex \
--template=../templates/tufte-handout.tex -V documentclass:tufte-handout
```

You can build HTML file with:

```
pp -html test.md | pandoc -o test.html -f markdown+raw_tex -t html5 -s \
--template=../templates/tufte-handout.html -c ../tufte-css/latex.css -c ../tufte-css/tufte.css
```
